1996 ARTICLE INDEX

ALTERNATIVE OFFICING
Market Spotlight: Alternative Officing Furniture; *Jan., p45*
Envisioning the Facility of the Future; *March, p40*
Alternative Work Practices Favored by 80 Percent of North American Organization; *Apr., p13*
New Trade Show and Journal for Alternative Office Environment; *Sept., p16*
Seeking Alternative Office Solutions; *Nov., p9*
AO: Where Are We Headed?; *Dec., p38*

AWARDS/COMPETITIONS
Nightingale Awards to Nine Innovators; *Jan., p42*
Best of NeoCon Jury Gives the Gold & Silver; *Aug., p26*

BUILDING TECH: BUILDING & TECHNOLOGY ISSUES
Security: Raising the Bar: Security for the Atlanta Games is an Olympian Task for Planners; *July, p24*
HVAC: Energy Conference Explores the Link Between Indoor Comfort & Productivity; *July, p22*
Premises Wiring: Modular Wiring That Performs to Standard; *July, p20*
With Standardized Specs, One Size Fits All; *Sept., p42*
The Best Roof In the World Is...; *Sept., p40*
Can Your Windows Pass the Missile Test?; *Sept., p36*
HVAC: When It Comes to Locating IAQ Problems, Study Says to "Look Up, Not Down;" *Oct., p26*
Security: Safeguarding Buildings from A Single Screen; *Oct., p28*
Paint: There Is More to the Coating Than Its Color; *Oct. p30*
Premises Wiring: Owners, Tenants Benefit From Creative Internet Service; *Dec., p19*
Roofing: In Over Your Head? Consultants Offer Expertise; *Dec., p20*
Windows/Curtainwall: Applied Film Lets In the Light, Keeps Out the Heat; *Dec., p23*

CABLE MANAGEMENT
See Building Tech

CAD & CAFM COLUMNS/FEATURES
Don't Let Wipeouts Stop You from Surfing; *Feb., p28*
Networking, Alliances, and Partnering Dominate A/E/C Systems; *Aug., p20*
Walk Through, Drive By, Fly Over; *Oct., p46*
Making the Case for An Open System; *Nov., p24*
Open Standards or Power? Trade-Offs Exist; *Nov., p25*

CARPET
See Flooring Columns

CORPORATE ART
Corporations Downsize but Art Collecting is Up; *Feb., p50*

DISASTER/EMERGENCY PREPAREDNESS
Get What You Really Want in a Fire Protection System; *Jan., p38*
After the Blaze: Lessons Help Milliken Rebuild Carpet Plant; *Jan., p36*
Disasters Shouldn't Keep a Good Business Down; *March, p19*
Glass Breakage Played a Significant Role in the Oklahoma City Bombing; *May, p13*

EDUCATION FACILITIES
Ohio State University Plans Its Largest Building Project; *Jan., p9*
Reading, Writing, and Renovation; *Apr., p50*
Anderson School Has Designs on MBAs; *Sept., p50*

ENERGY COLUMNS/FEATURES
With District Energy, Buildings Stay in the Loop; *March, p23*
Managing CFCs: Don't Get Fazed by the Phaseout; *May, p39*
Norm Thompson Keeps Oregon Green; *June, p27*
Energy Conference Explores the Link Between Indoor Comfort & Productivity; *July, p22*
Partisan Battle in Washington Rages over the Department of Energy; *Aug., p11*
Wheeling, Dealing, and Deregulation; *Nov., p48*

ENVIRONMENT COLUMNS/FEATURES
People, Not Products, are the Key to Pollution Prevention; *Jan., p18*
Taking a Holistic Approach to VOC Control; *Apr., p33*
Designing Today for Future Land Use; *Aug., p19*
Quality Initiatives Influence Quality Care; *Oct., p24*

ERGONOMICS
How to Reduce Carpal Tunnel Syndrome; *Jan., p16*
Past Musculoskeletal Disorder Research Produces Bare Bones Conclusion; *Apr., p27*
Repetitive Motion Injuries Drop by Two Percent; *July, p11*
Building A Better Ergonomics Program; *Nov., p28*

FIRE/LIFE SAFETY
Get What You Really Want in a Fire Protection System; *Jan., p38*
After the Blaze: Lessons Help Milliken Rebuild Carpet Plant; *Jan., p36*
Proactive Safety Program Keeps OSHA at Bay; *Sept., p18*

FLOORING COLUMNS/FEATURES
Taking the "Crisis" out of Carpet Installation; *Feb., p30*
Maintaining the Ground You Walk On; *Apr. p29*

GOVERNMENT FACILITIES
A Government Center by the People, For the People; *Jan., p26*

HEALTHCARE FACILITIES
Komiske & Team Put Patients First at Hasbro Children's; *Feb., p42*
Menorah Medical Park Lights the Way to Better Healthcare; *March, p30*

HEALTHCARE ISSUES
Designing a Cure for Healthcare Facilities; *Feb., p46*
Curing the Healthcare Environment; *Sept., p44*

HEALTHCARE PRODUCTS
Market Spotlight: Healthcare Products; *Feb., p58*

HEALTH/SAFETY ISSUES
A Written Safety and Health Plan is an Employer's Best Friend; *Oct., p12*

HVAC
Energy Conference Explores the Link Between Indoor Comfort & Productivity; *July, p22*
Lighting and HVAC Interactions Add up to Savings; *July, p29*
When It Comes to Locating IAQ Problems, "Look Up, Not Down;" *Oct., p26*

INDOOR AIR QUALITY (IAQ)
Energy Conference Explores the Link Between Indoor Comfort & Productivity; *July, p22*
Taking a Holistic Approach to VOC Control; *Apr., p33*

INTERNET
Don't Let Wipeouts Stop You from Surfing; *Feb., p28*
The Internet Spins a Web Called the "Intranet;" *March, p21*
Internet-Savvy Companies are Lacking On-Line Disaster Plans; *Oct., p11*

LIGHTING COLUMNS/FEATURES
Task Lighting Solutions Start with Integration; *Apr., p31*
Lighting and HVAC Interactions Add up to Savings; *July, p29*
